

## **INTERNATIONAL BIBLE CONFERENCE IN BRUSSELS FROM 04/03/2018 TO 04/15/2018**

**THEME : "THE BODY OF CHRIST" AND "THE GATHERING PLACE FOR THE ELECTED"**

Beloved in Christ,

In view of great importance of these international conferences that the Lord wanted us to have in Brussels and in view of its impact to the international standard, and also the benefits that these conferences bring us to the ministry for a perfect collaboration and a genuine communion towards each other. We realize that it is really important that a large number of preachers may take part in it.

This is why we decided to send you much earlier all the information regarding the International Bible Conference (IBC 2018) that will take place in Belgium in April 2018 so that you can prepare yourself accordingly. We thought that the earlier you are informed, the earlier you will start preparing yourself and more flexible your trip to Europe will be so that you may participate to the Conference.

### **A. For visa applications.**

It is absolutely important that you send as soon as possible the completed form with a copy of your passport so that we may send the complete list to Embassies.

Therefore you can prepare yourself accordingly in order to have all necessary documents that the Embassy will require for the granting of your visa.

Make necessary arrangements as most of the time they will ask you to prove yourself of your financial means.

Please make sure that you have a visa card with enough cash on it as the Embassy always checks the contents (balance) of cards that are submitted to them.

### **B. Accommodation.**

Due to a large number of participants, we will not be able to accommodate everyone. We wanted to make possible arrangements so that everyone stays at the same place in order to facilitate your transportation to the place of the meeting. In order to make this possible, we would like you to prepare yourself as well. You will need an amount of 50 euros per day for your accommodation. The total duration of your stay is 15 days. From now on you have enough time to prepare yourself accordingly and gather the required sum for your accommodation.

### C. Transportation.

We will be in charge of your transportation once you arrive and throughout the whole conference.

### D. Food

We will take care of your daily food as soon as you arrive and throughout the whole conference.

### E. Presence.

We urge all conference participants to have no further plans outside of the specified conference program.

We would like all the speakers to participate to all the meetings and comply with the regulations that will be assigned to them on the day of their arrival.

That is why we urge all participants to arrive to the dates as planned, in order to be present on the day of the reception.

### F. Closure of bookings.

In order to enable us make a complete list of participants and send it to the embassies of countries concerned, we kindly ask you to send us your completed forms along with copies of your passports NOT LATER THAN 31 OCTOBER 2017.

AFTER THE DEADLINE ON 31 OCTOBER 2017 WE WILL NOT RECEIVE A CANDIDACY ANY MORE FOR THE CONFERENCE (2018)

Notice: We recall that it is absolutely important to be in possession of a valid biometric passport for the process of visa application for the subjected countries.

We pray that the Lord stretches his hand and also assist us in all things for the achievement of this conference.

We believe that we shall have a great time and unforgettable moments in his presence.

We look forward to his powerful visitation.

Let us all pray about this and also for the granting of visas to be made easier for you the same way that the Lord did it to many for the 2016 conference (IBC 2016).

May the Lord bless you and bless your ministry too and enable you to be present for a perfect collaboration in the work of God. Ephesians 4:11

Welcome everyone.
